

Class 1A Driver – Trusted, Modern & Well Maintained Fleet

APPLY: www.somervillefarmsltd.com

Trucking Division – Somerville Farms (2014) Ltd. – Eatonia, Sask.

WE ARE GROWING!

We are more than just a fleet of Semi's and Super B's and “you” are more than just a Unit number!

At Somerville's, we have embraced the use of the latest technology including dispatch and log book apps. No more daily check calls, your GPS tracking does it for you. Tired of sitting at the repair shop wasting valuable time? We utilize our in-house mechanics to service our Semi's while you enjoy time off at home.

Our reputation extends far beyond West Central Saskatchewan. With our recent expansion into the U.S., we are further able to enhance our services offered to our current customers. Our reputation and performance has earned the confidence of our customers.

What You Will Do:

- Deliver semi-truck transport and trailer shipments in Western Canada and the Northern U.S. States.
- Maintain contact with dispatcher to obtain location, customer information and instructions unique to each load.
- Maintain Hours of Service log on app according to provincial, state and federal regulations.
- Keep a record of materials and products transported.
- Secure cargo for transport.
- Cleans interior and exterior of vehicle to meet high company standards.
- Takes steps to ensure customer signature and forms are completed accurately.
- Views own contribution as a contribution to team and not solely as an individual contributor.
- Initiates conversation with the customer(s) to ensure Somerville Trucking Division is a priority for the next pick up and/or delivery.
- Takes steps to maintain or build the level of trust with our customers.

What You Bring:

- Clean Driving Record & current and valid Passport
- The ability to pass a Pre-Employment Drug Testing and random testing throughout your employment.
- Manually handle and lift up to 50 lbs.
- Ability to read and follow road/highway maps.
- Demonstrate personal commitment to Safety.
- Manages time to maximize driving while delivering within log limits.
- Ability to foresee challenges or obstacles and communicates these to the dispatcher.
