

Class 1A Driver

We have a trusted, modern and well-maintained trucking division here at Somerville Farms (2014) Ltd., with our Office and Shop in Eatonia, SK

What you will do:

- Maintain contact with dispatch to obtain location, customer information and instructions unique to each load
- Maintain hours of service logs on app according to provincial and federal regulations
- Keep record of materials and products transported
- Secure cargo for transport
- Keep the interior and exterior of truck to meet high company standards
- Take steps to ensure customer signature and forms are completed accurately
- Builds and maintains good customer relations to solidify future business

What you bring:

- Clean driving record
- Clean pre-employment drug test and clean random testing throughout employment
- Manually able to lift and handle up to 50 lbs
- Demonstrate personal commitment to safety
- Manages time to maximize driving while delivering within log limits
- Ability to foresee challenges or obstacles and overcome these
- Excellent communication skills
